GRAND KNIGHT'S MESSAGE

HAPPY EASTER!!! I hope everyone had an enjoyable Easter and continues to celebrate Easter throughout the 50 day celebration that ends on Pentecost.

Thank you to everyone involved with our Friday Lenten Fish Frys. Whether you helped one Friday, every Friday, or somewhere in between, you helped make this a success. Whether you dined at our Fish Fry once, every Friday, or somewhere in between, you helped make this a success. Most of all, the success of this event is seen in the bringing together of the parish community and the fraternity of our council. Thank you.

We are still in need of volunteers for our Measure Up collection. If you can help with this, please contact Tom Schmitt, our Measure Up Campaign Director.

The election of council officers will take place at our June business meeting. We are in the process of putting together a slate of officers for the 2013-14 fraternal year and will present it at our May business meeting. We are in need of someone to run for the office of Chancellor. The role of the chancellor will be focused on assisting with membership recruitment and retention. It would also be nice if the person in this role were willing to move up to other offices in the near future. If you are interested in running for any office or learning about the roles and responsibilities of any office, please contact me.

JOSEPHINUM SOFTBALL TOURNAMENT AND HOG ROAST, APRIL 20

On Saturday, April 20, we will once again (for the 4th year) field a softball team to compete with four Josephinum teams (College, Pre-Theology, Theology, and Faculty/Staff). It's a double-elimination tournament; so, we're guaranteed to play two games.

The day starts with a mass at about 8:00 AM followed by play at 9-10 AM, and ends with a hog roast at about 5-7 PM

All Knights and their families are welcome to attend the games and to root for your favorite team or teams (please bring lawn chairs). Everyone is also invited to enjoy the hog roast but, as a courtesy, we need to provide the Josephinum a head count; so please RSVP by April 14.

GOD WHISPERS (Presented by our Lecturer at our March Meeting)

We all know the stories of Moses and the burning bush, of the angel Gabriel appearing to Mary, and of Fatima when Mary appeared to children. I've often wondered what it was like "back in the day" when it seems God and angels appeared and spoke directly with people. The Old Testament has many instances, and of course with the New Testament starting with our Lord Jesus and His life on earth there are many instances of direct communication with the Divine. Reading the Bible makes it seem like it was a common-place occurrence.

We sometimes want to ask "why doesn't He speak to us now". Heaven truly knows we could use it, and in many facets of our lives we are in desperate need of guidance from a source of good. I think though that, while the Old Testament makes it feel more common-place back then, if you look at the instances and realize the number of years the Old Testament encompasses, we understand these occurrences weren't so common-place. I think it is also true that God hasn't stopped communicating with us at all, and if we understand that He speaks through His people there is an even greater chance to hear Him strictly due to the increased population we have now in relation to "Biblical times".

I believe that God gives us, and by us I mean all His children, constant opportunity to speak with Him. God constantly whispers to us. If you have ever seen a small child pick a dandelion for their Mom, and the smile with which the Mother accepts the gift, you have seen God speak. It is a message to us from the love of the child for their mother, the love of the Mother receiving the gift and to those who observe such pure love; God is whispering to us.

About a week and a half ago my Mom had her hip replaced and my brother and I have been taking turns staying with her and Dad to help her recuperate. We are glad to do so and it is the proper thing to do, but it is not all fun and games by any stretch of the imagination. Jim and I are grateful to still have our parents and it is a labor of love, and in this act God whispers to us. Mom has been getting up about every 2-3 hours each night and that can be tiring for everyone. I feel I have been doing what is in God's plan through helping another in need. Yesterday though (March 10) my eyes were opened and I got a lesson in humility I didn't expect. Here I am staying a couple days then getting home and relishing a full night's sleep. What I realized is that my Dad, who is 89 and can really use sleep, has been up every single time of every single night since Mom has been home. Sure he is not able to lift her but he has been there every step of the way, has helped in numerous ways and he has not complained one iota. In my Father's devotion to my Mother, God whispered to me and gave me the gift of humility.

God continues to whisper to us each and every day in a myriad of ways. I don't doubt that at this very moment perhaps God is speaking to someone in a more direct manner, and perhaps in 50 years we will know this event to be true and legitimate if God intends it to be a public revelation. I, however, cannot afford to wait until that may happen to me before I start listening to God. It is most highly unlikely and honestly would be arrogant of me to think that it will. Instead, I need to listen for God's whispers in all things around me. From solace I find in being outdoors in the world God created for us, to a feeling that what I am about to do is either right or wrong, to seeing God through the actions of another, I need to be listening.

I also have to do my part to ensure the message can get through. Sin is a kind of white noise when it comes to hearing and feeling God. With each sin the white noise gets louder and the message harder to hear. It can start very small. For instance, if I don't go to confession for a while it gets easier for me to think "heck, what's the big deal about missing confession". It can then be easier to start thinking "why do I need to go to Mass each week, skipping once in a while is no big deal", and that can lead to something like "the eucharist is really just symbolic, how can it be real". From there it becomes more about me; after all "I haven't been hit by lightning yet so why go to church; after all I think I am a good person isn't that all that matters?" Yes, sin is white noise that continually tries to drown out the continual messages God sends us. The good news is, God doesn't stop whispering to us and quite frankly His whispers are way loud enough for us to hear if we just position ourselves to do so by taking part in the Sacraments He Himself has given us.

MEASURE UP CAMPAIGN FOR DEVELOPMENTALLY DISABLED – SATURDAY, APRIL 27

Saturday, April 27, 8:00 AM to 4:00 PM, at High Street and 161, is the date, time and location for our council's Measure Up campaign for developmentally disabled programs this year. **Help is still greatly needed.** You may sign up by email or by phone by contacting Tom Schmitt at attorneyschmitt@gmail.com or 396-8022. Please sign up for 1 or more 2-hour time slots (between 8 am and 4 pm).

Everyone on the street needs a permit, with his own name, which is obtained by submitting a signed waiver form. I have received signed waivers from many of you already, but if anyone else is considering it, please send me a signed waiver form **right away**. (A blank copy of the waiver form is on page 7 of this newsletter. I also will have copies available at our Council business meeting on April 8.) Send a pdf copy of the signed waiver form right away to my email address above, or bring it to our business meeting on April 8, or mail it to me at 8166 Pelham Dr., Westerville, 43081.

For those new to the council, we collect money on the street at the corner of High and 161, and distribute rulers explaining what the Measure Up program is all about. Twenty percent of what we collect goes to the state KofC to distribute to programs for developmentally disabled, and we get 80% back to distribute ourselves. Last year, we gave to the Royalton House (<http://www.necare.org/joomla/images/brochure.pdf>), the Doyle Memorial Fund (<http://www.doylememorialfund.com/>), Lend-a-Hand Industries (<http://lendahandcolumbus.com/>), and SPICE of St. Mary, Delaware <http://www.delawarestmary.org/parish-organizations/spice>.

FISH FRY VOLUNTEERS - THANK YOU NOTE

Thanks to all Brother Knights, family members and friends who contributed to the success of this year's fish dinners. A financial report, including a report on distribution of proceeds, will be forthcoming.

FISH FRY 2013 PRELIMINARY RESULTS

We had a good year and a strong finish with 786 meals served for the final event on March 22. The Drive Thru handled 172 cars. Overall, the last night had an excellent turnout considering the Buckeyes were playing at 7:15 in the 2nd round of the NCAA. For the year we were up over last year. The Drive Thru handled 903 vehicles for an average of 150.5 per event, up 0.9% over last year. Drive Thru meals were 1,971 for an average of 328.5 per event, up 0.6%. Dine In meals were 2,652; an average of 442 meals per event, up 5.74% over last year. And our Marian Hall Handicap seating continued to increase with one night serving 40. The total number of meals served, including Drive Thru, Take Out, and Dine In was 4,744 for an average of 790.6 per event, representing a 3.58% increase over last year. Thanks to all who worked and contributed to making this social event and fund raiser a success.

One final note. With the new building addition now under construction, which will contain an elevator, we will no longer need to serve handicap people upstairs in Marian Hall. This will make logistics and staffing a little easier.

Peter White, Fish Fry Finance Chairman, 614-937-3370, peter@janpet.com

A PERSPECTIVE ON THE SIGNIFICANCE OF THE 1ST, 2ND AND 3RD DEGREES IN THE KNIGHTS OF COLUMBUS

The 1st, 2nd and 3rd degrees in the Knights of Columbus can be looked upon like three of the first sacraments we all receive as Catholics. In other words, the 1st degree can be looked upon like **Baptism**, the 2nd degree like **First Communion**, and the 3rd degree like **Confirmation**.

From this perspective a 1st degree knight is like a Catholic who has been baptized but hasn't yet received the sacraments of Holy Communion and Confirmation. Would you consider yourself to be a practical Catholic in that situation? **THINK ABOUT THAT IF YOU ARE A FIRST DEGREE KNIGHT.**

Membership Activities

Membership Chairman: John Greve

WELCOME to new brother knights **Kevin Koesters** and **Allan Mitchell**. Kevin transferred in from another council and Allan was exemplified in the 1st degree at St. Brigid of Kildare on March 4.

CONTACT YOUR FRIENDS ABOUT MEMBERSHIP IN THE KNIGHTS OF COLUMBUS

There are many men in St. Michael Parish who have heard of the Knights of Columbus and are ready to join if only they are asked. Discuss the possibility of membership with your friends and acquaintances. You'd be surprised how quickly some of them will respond affirmatively. Membership application forms (Form 100) are available at all our meetings and other council activities. Please be one of our ambassadors. There will be many First Degree Ceremonies during the upcoming months to get them initiated into our council.

Sunday, May 19 is the next opportunity to take the **2nd and 3rd degrees** in the Knights of Columbus so you can achieve full knighthood in the order. As most of you know, the 4 principles of the Knights of Columbus are **Charity, Unity, Fraternity, and Patriotism**. The four degree ceremonies are each based on one of these principles. The 1st degree, based on *charity*, is the one you have taken. The 2nd and 3rd degrees being offered on the above date at the **Bryce Eck Parish Center of St. Andrew Church, 3880 Reed Road, Upper Arlington** are based on *unity* and *fraternity*.
