## **TALENTS** (Presented by our lecturer at our September Meeting)

Fall is a special time of year for sports fans. Baseball is heading toward the world series. Football fans of high school, college, and NFL teams are waking from their eight month slumber. Hockey players are starting to hit the ice. The NBA is warming up for its season too. So with every weekend, and practically every day, we see amazing feats of athletic talent. But when you take a closer look around you, you'll find that people with amazing God-given talents are everywhere. Chefs, songwriters, singers, actors and actresses, mathematicians, physicists, authors, doctors, social workers, car mechanics, clergy... Everyone has talents that are given to them by God. And it is obvious when someone is using those talents to their fullest potential.

So many times we see amazing things and wonder how it's possible that these astonishingly gifted people are part of the same species as us. If you travel to Rome and visit the Vatican, staring at the ceiling of the Sistine Chapel, it's quite easy to say that Michelangelo had God-given talent, one that may never be seen again in the entire history of man. But the street vendor a few blocks away who is selling his hand-made artwork has a similar God-given talent, even if it's not at Michelangelo's level. So we buy the street vendor's art, because maybe the best we can draw is a stick figure. And that's okay. God only ever gave Michelangelo that level of talent. Similarly, only a few people were given enough talent to earn a living as a vendor selling their artwork on the street. What matters is not the talent one has, but how it's being used.

In Matthew's Gospel, Jesus tells us the parable of the talents: "*For it is like a man going on a journey, who summoned his servants and entrusted his property to them. To one he gave five talents, to another two, and to another one, each according to his ability.*" Among the Hebrews, a talent was a weight and also a denomination of money. It weighed about 75 pounds, so in today's dollars, a single talent of gold would be worth about \$1.6 million dollars, and a talent of silver, around \$23,000. Either way, a considerable sum of money to entrust to your servants. As we know from the parable, when the master returned, the servant given five talents returned those five plus five more, the servant given two returned two plus two more, but it was the servant given one talent, who buried it in a field and only returned the one back. It was he whom the master called "wicked," "slothful," and "worthless," and cast out into the darkness.

The definition of "talent" has evolved over the centuries to mean "skill", so it is a good place to start when doing a personal inventory of what God has given you that He wants you to invest on His behalf. But skills are not all that God invests us with. Every blessing we have is God's investment in us. Look at every blessing you have as a talent God has trusted you with. Every blessing you have is something valuable that God wants you to invest for Him. Your wife is a talent. Your children are talents. Your subordinates or employees are talents. Everyone who relies upon you is a talent. And God has entrusted you with those talents because He trusts you to give Him a good return on His investment.

If you are entrusted with \$1.6 million dollars of someone else's money, or even \$23,000, it's easy to understand the fear of losing that money. But we must remember that when God entrusts us with something, he *trusts* us. He gave it to us because he trusts that we will do well with it. One of the lessons to be learned from the parable is that we are only judged against ourselves. Our master, the Lord God, knows our capabilities. If we are given one talent or two, we are not judged against someone who has been given five. The street vendor is not judged against Michelangelo. God only expects that we do the best with what we have. If you're given one talent, return God two. If you're given two talents, return four. God invests in us. Christ redeems us. And for that massive investment, God is expecting a return on His investment. He wants you to put your talents to good use for Him, and for His glory.

You are responsible for a great many talents. It is your duty to invest them well.

*Mike LaMorte, Lecturer*

## GRAND KNIGHT'S MESSAGE

Brothers:

I want to thank everyone that supported the **First Annual World Day of Prayer For Peace**. Special thanks to Jim Shough for taking the lead. It was a good showing for the first one. I look forward to watching the attendance grow each year.

I also truly appreciate the faithful nature of this council. I have received several comments by parishioners on how nice it is to see the Knights supporting parish programs and leading faith filled events as well as providing labor when necessary. Even though there are so many wonderful programs to be involved with and events to volunteer for I want to ensure our Catholic Faith remains a priority.

I would like us all to consider bringing canned food items with us each Sunday to mass to drop off in the food collection boxes in Marion Hall for the St. Vincent DePaul Society. Feeding the hungry is one of the many things we are called on to do. The young kids especially love this kind of activity.

The **St. Michael Stewardship Fair** is scheduled for **October 15-16**. We will need volunteers at each mass to answer questions and help promote the Knights. Please consider volunteering to help with this effort.

The Knights will be helping at a Youth Ministry event, called **The Come Back Festival 2016**, on the nights of **October 21-22**. Meg Heller, our new Youth Minister, and the Youth Group are hosting this youth festival. Sister John Paul and Meg have been putting their heads together to organize this event for the youth of St. Michael Parish. Put these dates on your calendar to help out with this activity.

In conclusion, brother knights, keep up all the wonderful things you do; may God Bless our work. St. Joseph and Fr. McGivney Pray for us!! Vivat Jesu!

## THE VALUE OF LIFE INSURANCE FOR CHILDREN

As a father, you worry about your children and do many things to protect them. We try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance on your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus, it guarantees that more insurance can be purchased for that child without proving insurability.

Unfortunately, as fathers we don't have a crystal ball to tell us the future of our children. Your child could eventually have a rare disease, cancer, or be overweight. Did you know you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretting buying coverage on a child.

Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.

**FALL FISH FRY FOR VOCATIONS – FRIDAY, OCTOBER 14, 5:00-8:00 PM**

Brother Knights,  
We will again be  
doing a fall fish  
fry this year to  
**support**  
**vocations** in place

of the spaghetti dinners we've held at this time of the year in the past. The fish fry will be **Friday October 14** from **5 PM - 8 PM**. Proceeds from this event helps supports vocations.

Funds raised are targeted to support religious vocations, and traditionally have been used to provide direct support to selected seminarians and novitiates, such as recently ordained **Fr. Ty Tomson** and **Fr. Nick Droll**, and current novitiate **Alycia Hartley**, all from our parish. Over the years, we've raised approximately \$35,000, which has been matched by about \$7,000 from the national KofC RSVP program that contributes \$100 for every \$500 we provide to support seminarians and religious novitiates.

We look forward to your continued support by you and your families either by helping out with some of the various responsibilities (see below), or by enjoying a good family meal to help support this cause.

**FISH FRY VOLUNTEERS – STILL NEEDED**

Help is needed starting at 3:00 the day of the fish fry for set up of the undercroft. Our greatest need is during the dinner hours for various tasks. Cleaning up the undercroft and kitchen and doing dishes is another opportunity to contribute to the dinner. People willing to help with the cleanup tasks should plan to be there by about 7:45. Usually we are done by 9:00 depending upon the size of the cleanup crew. This is a great opportunity to support vocations, and getting to know your fellow brother knights. Please let me know if you are able to help out by contacting me (see below). Any and all help is greatly appreciated. Thank you.

**A PERSPECTIVE ON THE SIGNIFICANCE OF THE 1ST, 2ND AND 3RD DEGREES IN THE KNIGHTS OF COLUMBUS**

The 1st, 2nd and 3rd degrees in the Knights of Columbus can be looked upon like three of the first sacraments we all receive as Catholics. In other words, the 1st degree can be looked upon like **Baptism**, the 2nd degree like **First Communion**, and the 3rd degree like **Confirmation**.

From this perspective a 1st degree knight is like a Catholic who has been baptized but hasn't yet received the sacraments of Holy Communion and Confirmation. Would you consider yourself to be a practical Catholic in that situation? **THINK ABOUT THAT IF YOU ARE A FIRST DEGREE KNIGHT.**

Sunday, October 30 is the date for the next 2nd & 3rd degree ceremonies. If you are one of the first degree knights listed below, see the Membership Activities Page on page 7 of this newsletter for details of how to participate in the 2<sup>nd</sup> and 3<sup>rd</sup> degree ceremonies on October 30.

## NEXT 2ND AND 3RD DEGREE CEREMONIES – BRYCE ECK CENTER, SUNDAY, OCTOBER 30, 2016

If you are a First Degree Knight (see list on page 5) **Sunday, October 30, 2016** is the next opportunity to take the **2nd and 3rd degrees** in the Knights of Columbus so you can achieve full knighthood in the order. As most of you know, the 4 principles of the Knights of Columbus are **Charity, Unity, Fraternity, and Patriotism**. The four degree ceremonies are each based on one of these principles. The 1st degree, based on *charity*, is the one you have taken. The 2nd and 3rd degrees being offered on the above date at the **Bryce Eck Parish Center of St. Andrew Church, 3880 Reed Road, Upper Arlington** are based on *unity* and *fraternity*. One does not achieve full knighthood in the Knights of Columbus until you have taken the 3rd degree. The 4th degree is optional. **IF YOU ARE A FIRST DEGREE KNIGHT** (see list on page 5), **SUNDAY, OCTOBER 30 IS YOUR NEXT OPPORTUNITY TO BECOME A FULL-FLEDGED KNIGHT.**

To give you some idea of the extent of your time commitment on **October 30**, all 2nd and 3rd degree candidates are expected to meet at the **Key Bank across from St. Michael's at 10:45 AM** from which you will be transported to St. Andrew's Bryce Eck Center, 3880 Reed Road, Upper Arlington, by your brother knights of St. Michael Council. Candidates must be at the Bryce Eck Center by **11:30 AM** for some administrative details. (Bring your **current 1<sup>st</sup> degree membership card** with you.) The degree ceremonies begin at **12:00 PM**. Each ceremony lasts about 1 hour and 15 minutes with about a half hour break in between. All activities should be over by about 4:00 PM. **Contact me, John Greve, at 614-296-6565 or [johnmgreve@gmail.com](mailto:johnmgreve@gmail.com) to let me know if you plan to take these degrees on October 30. (Please respond by Thursday, October 27).**
